

Join the Rural Maryland Council and USDA Rural Development on  
**Wednesday, May 24, 2017** at the  
**Miller Senate Office Building in Annapolis, MD**  
for a forum dedicated to broadband service in our  
region's rural communities.

Connect with other stakeholders interested in broadband access and discuss ways to maximize available funding for rural broadband initiatives. Enjoy anticipated breakout sessions on the latest broadband technologies, funding for broadband infrastructure projects, making your community attractive to providers, and using public-private partnerships for broadband development.
